Date: _____

Dear Applicant:

This office is unable to conclude processing in your nonimmigrant visa (NIV) application at this time, as we require additional information. Further action in your case has been suspended under 221(g) of the United States Immigration and Nationality Act (INA), pending the receipt and review of the information and documents below.

Please provide the additional supplemental information specified below. Upon receipt of your responses, we can continue processing your application. Detailed and complete answers will enable us to process your case quickly, while incomplete or vague answers may result in further delays in your case.

(Place checklist for standard options, such as receipt of I-20, list of donkey or mantis requirements, etc.)

Your application requires administrative processing and/or additional clearances. (Describe whether the applicant should contact the visa unit after a specific time period, or if the visa unit will contact the applicant when the case is ready. In either case, give the applicant a method of follow-up with the visa unit after a specified time frame.)

If you fail to take the action requested within one year of the 221(g) decision, your application will expire.

Sincerely,

Consular Officer
